### **Professional activity**

#### **Jönköpings Kommun in Jönköping**

September 2010 -

Title; Ekonom/Controller

Currently working as a Business Controller at Tekniska kontoret in Jönköping with the business units Water and Waste. I am responsible for the financial reporting, budget, prognosis, and the annual reports for three different business units.

#### **Volvo Financial Services International AB (VFSI) in Gothenburg**

November 2008 - September 2010

Title; Customer Account Controller

I was working with the processes of financing AB Volvo's (mainly trucks) products to Eastern Europe. Eastern Europe was a rapidly growing market. The focus in this role was to create and introduce new routines and processes in order to more efficiently handle the growing portfolio and to support our local offices during the whole financing process. I had the role as a team leader for a group of 4-5 people and the focus was on creating an efficient way of working and at the same time adhere to financial policies and also Volvo policies. My position involved a great deal of International interaction and coordinating all new incoming deals to VFS International.

## **Volvo Business Services AB in Gothenburg**

June 2006 - October 2008

Title; Accountant

I was working within the Accounts Payable department and was responsible for the day to day activity in VBS Contact Centre. As from the 1st of January 2008 I was acting manager (TF) for the group manager. The job involved continuous contact with the different companies within the Volvo Group and their suppliers. I have participated in different projects and was working with the continuous process to improve the VBS Contact Centre and develop a new Service Management Tool.

I have also participated in a project when transferring one part of the business to another geographical location.

## **AB Swetrail in Värnamo**

August 1998 - August 2001

Working experience as an employee at an international logistics company in Sweden. AB Swetrail is an international provider of integrated logistics services. My tasks included daily contacts with clients, suppliers, and international agents. I participated in the planning of logistics and registration of assignments. I was also responsible for the contacts with 4-5 agents in Germany.

During the last year I was actively involved in a project in Rostock, Germany, where we together with our subsidiary in Mannheim, Germany, started up a new office and terminal in order to achieve a more effective just-in-time system.

## **Sörensens Livs AB in Sävsjö**

Summer employment 2003, 2004, and 2005
